PRODUCT CATALOGUE 2025

EXTRA VIRGIN OLIVE OIL

ORGANIC, FROM REGENERATIVE FARMING

THE PRODUCTION

It preserves and maximises the nutritional and organoleptic properties of the olives and the freshness of the oil over time: harvested by hand, processed in the Mori-TEM mill within a few hours of picking. Cold extraction, filtration and storage in stainless steel, in the absence of oxygen.

ORGANOLEPTIC PROFILE

Green, fruity, with fresh vegetable scents of freshly cut grass, almond and artichoke, with a pleasantly bitter taste balanced by spicy notes.

AUTHENTIC TUSCAN

A blend from native cultivars: Moraiolo, Leccino, Frantoio.

HIGH ANTIOXIDANT EXTRA VIRGIN OLIVE OIL

For longevity of body and mind.

CRAFTSMANSHIP

Each Anacabert is handcrafted and packaged in our on-farm workshop.

RAW MATERIALS

Simple, organic, natural.

TEXTURE

Soft heart, melting texture, flowery and velvety crust.

FERMENTATION PROCESS

Promotes the natural preservation of Anacabert and increases its digestibility thanks to probiotics. The action of *Penicillium*, a selected and noble mould, develops a velvety edible crust on the outside, while the inner dough becomes creamy and rich in organoleptic qualities.

THE TASTE

Each Anacabert is an elegant and enveloping experience. The notes of the Classico, which take us to mushrooms, truffles, hay and undergrowth scents, are added to the unique characteristics of the Peposo, Tartufino, Pizzichino, Rosso, Erbette, Pepe Rosa & Lime varieties, amidst refined aromas and flavours.
