VANNINO

Nel bellissimo paesaggio toscano, punteggiato da antichi boschi e uliveti, nel 1932 nasce il nostro piccolo panificio. Da allora abbiamo conservato le nostre originali e segrete ricette toscane, impreziosite con sapori golosi come cioccolato, arancia candita, fichi e noci.

I nostri biscotti artigianali, prodotti con ingredienti genuini e naturali, portano dentro tutto il carattere dell'eccellenza fiorentina. Sono perfetti per essere gustati con il tè e il caffè, o affogati nei vini dolci.

In the beautiful landscape of Tuscany, dotted with ancient woods and olive groves, our small bakery began in 1932. Since then, we have kept to our original, secret Tuscan recipe, adding our own special flourishes, with flavours like chocolate, candied orange peel, figs and walnuts.

Our hand-crafted, hand-cut, personally packaged biscuits, made with natural and genuine ingredients, are infused with quintessential Florentine character. They're perfect for eating with tea and coffee, or dipping into sweet wine.
